Shoe Exemption Guide 2025-26

General Notes:

- Students must have a current physician's note on file with the Nurse's Office to obtain a uniform shoe medical exemption.
- For students with a shoe medical exemption, the Monday – Thursday uniform shoe should be fully black, including the logo; the sole may be either black or white.
- Students may follow the uniform guidelines on Friday as they apply to GS, MS, or SOR.

These images suggest the range of acceptability. Any brand is allowable.
The shoe should be fully black; the sole may be either black or white.

Note: The images below suggest shoes outside the range of acceptability, including white fabric base, multi-colored base fabric, colored or metallic logo.
